New World Order Update

Greetings world.

About [4 months after the split of the Ukrainians from the Russian Orthodox Church, Pope Francis met with Grand Imam of al-Azhar Sheikh Ahmed al-Tayeb](#). Together they signed a “One World Religion” agreement. While this may not seem like a huge deal, it is one you should know. Every step the elite take, no matter how small, is instrumental and vital to continuing their agendas. As time moves closer to openly acknowledge the One Global Religion, we will see many splits, and coming-togethers in various religious sects. This will help lead to agitation, superiority and discontent that is needed for people to accept their **solution**.

So, let us peek in on Russia and Ukraine.

Tensions have been building in this region for decades. MH flights shot down over Ukraine was one False Flag from Russia, Russia wanting to keep Crimea, lots of fighting on Ukrainian borders, all just Russian tantrums because they lost their empirical force. This and other splits have been inevitable since Ukraine achieved independence in 1991. However this is monumental in the Orthodox world as Ukraine was the birthplace of **Russian Orthodoxy**, in the 10th century (not to be confused with Eastern Orthodoxy: the original (and in every other country-not including USA of course) the **only** form of Orthodoxy). The religious sector of the USSR consisted of the Russian Orthodox Church and the Eastern Orthodox Church, and this continued even after the dissolution of the empire. Supervision over Ukraine has always been granted to the Moscow patriarchate (the Kirill) since 1686. Now the [Ukrainians will have their own leader](#).

See, after [Byzantium fell to the Ottomans, the Moscow](#): the Russian Church became the de facto great power in world of Orthodoxy. The Byzantine patriarch, known as the **patriarch of Constantinople** (leader of the Orthodox Religion) is now called the **Ecumenical Patriarch**.

*“The **patriarch of Constantinople** will no longer have any right to be styled as he is now, the leader of the 300 million Orthodox population of the planet. At least half the population will not recognize him at all.”* -

Metropolitan Hilarion of Volokolamsk, the head of external relations for the Russian church.

Though there is a lot more to the history, the current split means either Orthodox leaders in every country decide now whether they follow the **Kirill** of Russia who follows the Pope, or if they will follow [the historical leader of Orthodox](#): the **Ecumenical Patriarch** (of Istanbul), which means ‘representing the whole of a body of churches (as in) worldwide unity or cooperation’. It always comes back to unity: NWO.

In 2016, Pope Francis and Patriarch Kirill embraced and kissed one another *three* times before they signed a **joint declaration**. “We are [brothers](#),” [Francis said as he embraced Kirill](#). “Now things are easier,” Kirill agreed. “This is the will of God,” the Pope said. He would know...wouldn’t he..? Roman Catholic and Russian Orthodox churches hadn’t spoken since the [Great Schism of 1054](#) when Orthodox broke away from the Vatican control. Thanks to the Kirill, they are together again, publicly. [Russian President Vladimir Putin’s claim of “one people, one church and one culture”](#) in the so-called ‘Russian World’ is not surprisingly, shared by the Kirill. Religion is all about politics, demographics, money, and power.

*“This is my attitude and the attitude of the Holy See today. And **those who meddle are not obeying the Holy See.**”*

–Pope Francis regarding the internal affairs of the Russian Orthodox Church.

As we know, this agenda has been going on for a long time, the elite work generationally, as every agenda, in order to come to fruition, must be carried out **slowly**. The timing is of the utmost importance, it keeps the sleepers asleep and those who see are not believed by those who don't, because those who don't see want a short, quick response. Truth is the thread the elite have woven tapestries to cover up. Do you have what it takes to unravel it? It takes much time and effort to cut the chords of indoctrination and the manipulations and misrepresentations away enough to see the truth that has always been sitting there, waiting to free us.

The New World Order must have 1 Government, 1 Religion = 1 Ruler and 1 Currency = system of control and enslavement.

Since 1965 the Vatican has openly worked to bring their “separated *brothers*” back home to “holy *mother* the church.” Remember, the elite have always used the “*fraternity, brotherly*” terms since Sparta and before. We see it in all of their Masonic clubs: the idea of fraternity, brotherly ‘love’, **men** uniting. This term is used in all of their cults. Just another false “**unity**” keyword. In the 1995 encyclical *Et Unum Sint*, Pope John Paul II said he intends “to encourage the efforts of all who work for **the cause of unity.**” The Vatican’s ‘**ecumenical movement**’ was started by Pope John Paul II as well. He was one of the puppets who catapulted the agenda forward. Under the advertisement of “bringing *unity* of all professing Christians”, the real strategy was to bring **all** religions under the power and influence of the papacy. Pope Francis has excelled in this, as it is his agenda and reason for being in the position.

This has grown so far that the Archbishop of Canterbury urged all Christians to recognize the [Pope as the supreme authority of a new global church](#) in June 1999, live on CRN News. As we have looked into before, the Eastern religions have always been most open to the elite authority which left the Muslim, Jewish and the remaining Christian religions as the links that must be broken...and of course, united.

To accelerate that, Pope Francis stated when meeting with the [Lutherans in Sweden in 2016](#), “*Now, in the context of the commemoration of the Reformation of 1517 we have a new opportunity to accept a common path, one that has taken shape over the past 50 years in the **ecumenical dialogue** between the Lutheran World Federation and the Catholic church.*” The Reformation was the revolution against the Vatican created religion. Martin Luther was a whistleblower, who nailed his document to the door of the church which exposed the Vatican’s lies and control over the Christian world, and how the Christian texts and beliefs had been adulterated into a religion: ie. mind control for profit. This finally ripped true believers out from under the control of the Vatican, which resulted in reverting those of faith back to its **textually true**, original form. This of course did not last long as the movement was infiltrated ([as we have seen many times in previous articles and agendas](#)) and on and on it goes: A group divides to get away from elite mentality and control, and then eventually get infected again, then divide again and so on. The splintered pieces get smaller and smaller making it more difficult to find **truth** of that doctrine, while the majority grow under the Vatican. **This is how religion works.** Which is why no religion is safe or true. This naturally does not mean there is no truth to be found, in places where truth abides. You have to work to find it.

Thanks to decades and decades of Vatican/Jesuit indoctrination, they have masterfully and deliberately redefined biblical terms (just as they redefine all other terms) to make them more vague, ambiguous and acceptable to **both** Catholics and Protestants. They have altered documents with every version and new edition they put out—regardless if it is religious or historical texts. **This is what they do.**

One Example:

Why the modern "bibles" change Lucifer to Morning Star (Isaiah 14:12)

The Secrets of Enoch - Who Is The Morning Star?

Another example a terms definition change is self evident in the current hot keyword of the day: "SMART". Smart no longer means intelligent as it is spattered on everything that puts humanity at risk and takes away not only our health, but our individuality, our privacy, stripping us of what makes you...you. SMART TV, SMART Phone, SMART house, SMART car...SMART people. Say the word often enough and whatever it's attached to is verified by the term. Call it 'SMART' and it is all good. Tell a lie often enough it becomes "truth". The Illusion of truth. They do all they can, to deceive you into believe in lies. Based on the terms usage, SMART is now more accurately defined: void of ability to process thought, mentally deficient. But enough of that...this is how one rewrites history, controls the mind and thereby **controls every aspect of you**. That is why so many people are kept from truth. Most keep themselves from it because instead of looking through the deception to find the truth, they are deterred (as intended) and do not look far enough.

Pride keeps us all blind.

Only when you put an end your own foolishness can you be free enough to see truth.

People discredit the whole topic and all related topics in their frustration and never get the real point or never look in the first place because of their pre-embedded repulsion to it. Automatic Shut Down. The elite have taught you all so well, how to run from truth. Why do you think there are so many religions? So many distractive paths, most appealing to the self or a perversion of humanity? When you have an enemy it is easiest to destroy that enemy by **dividing** it into many, many small parts, and **absorbing** them over time. The elite are wise, as are those they are controlled by: Demons, meaning “knowing or *wise*“. **The elite get away with it, because you are not.** The elite work wisely, but they use their knowledge and wisdom for deception. They keep you without wisdom: ignorant and pathetic and oblivious.

Why do you think the one faith the elite did not create themselves, has been the one they have attacked and manipulated far beyond recognition? It should be obvious by now. You should know your enemy. All they did was turn historical proofs into a religion to keep it all hidden from you. They teach you their histories, their “truths” as they rewrite them to fit their agendas. Labelled as another one of their brands, it has been so easy for them to manipulate teachings and control the knowledge of the texts. By altering them, and because for so long people had no way to find original documents to confirm or check, they left the ignorant under the control of leaders who were trained by Jesuit-run colleges. Leaders (especially religious leaders) are controlled by a script they must present to their congregations, which always gives more questions than answers and leaves all confused, or hysterical. If you think your pastor, priest or father in your church writes his own speeches you are sadly mistaken. He has the same guidelines on what he is **allowed** to say, same as everyone else. That is what Martin Luther knew, along with many others who died trying to wake up the people...as we always do. The Orthodox and the Lutheran were two Christian groups in which some branches remained close to their original documents and teachings, but as we have seen, it is all splitting up now and will continue to splinter into smaller and smaller division while the majority will grow and grow under the Vatican. But for those who are true seekers of truth, it is easy to see through even the strongest deceptions. This is why the elite are called **enemy**. Anyone reading this site should know that full well by now. But people no longer verify sources or use original documents but **assume** they know and understand it all anyway. Those who won't look will never see and those controlled by their own ignorant pride will never understand.

So, about this declaration Pope Francis has signed... In February 2019 Pope Francis signed a peace declaration on ‘**Human Fraternity**’ with Ahmed el-Tayeb, Grand Imam of al-Azhar, during an inter-religious meeting in Abu Dhabi.

Something Strange is Going On!

The Grand Imam is the religious head of Sunni Islam, which represents 90% of Muslims. He is the pope of Islam and leads the world's **largest** religious denomination, followed by Catholicism. [Pope Frankie met leaders of non-Catholic Christian religions such as Orthodox, Anglicans, Lutherans and Methodists, and others including Jews, Muslims, Buddhists and Hindus while seated in a chair and not the usual elaborate throne used in the ornate hall for audiences.](#) While he said 'history has shown that any attempt to **eliminate God** produced much violence,' he reached out to those who seek truth, goodness and **beauty** without belonging to any religion. He stated that people who belong to no religion as "precious allies". Goodness and Beauty have nothing to do with anything, especially a religion, since **no one** is "good" and "beauty" is worth **nothing**. By mentioning the elimination of god he shows that it was a legitimate possibility considered by the Vatican to create One Religion!

Steps Towards a One World Religion? Pope signs Peace Document w...

This declaration states: “*God wills the diversity of religions.*” Considering the fact that the Vatican has taken over all religions and created most-if not all-of them, (as we have proven in our document [EL: The Bloodlines](#)) of course the god the elite serve wills pluralism and diversity of religions. Lucifer is happy to be worshiped in **any** of his forms, or genders. Whether that is in the form of money, digital or solid, music, fashion, materialism, ritual sacrifice, ritual of any kind, ie: worshiping him on Sundays (his day), watching the Olympics ritual or Awards rituals, and the list goes on and on. **Who do you worship?** Truth is never fun or easy. The written declaration also [says that humanity will live together](#). (What have we been doing for the last 7 thousand years?) Regardless, by documenting it, making it law, it is a **baited switch**.

Peace of all religions means deleting essence of those beliefs.

By default this declaration, being signed, means all religion is now one religion, under the same Vatican umbrella. This is monumental for those who understand the many differences in religions and how those many differences have deep-running **beliefs** that are **NOT** able to be **COMPROMISED**. [A Dominican theologian remarked on the declaration saying,](#)

*“In its obvious sense is false, and in fact heretical. The various religions say incompatible things about who God is and how He wants to be worshiped. Therefore they cannot all be true. Therefore God, who is **truth**, cannot will all religions.”*

It doesn't take a theologian of any kind to see this. It is **logic**.

Let's break it down for you... This sampling of religions shows their total incompatibility by looking at one basic thing. (Of course each religion has many [other equally huge differences](#) in them, which make them even more incompatible, exposing the farce that is the Pope's latest declaration.) Why this concerns everyone: There is a total of 5.85 billion people involved in an organized religion, out of the 7.7 billion estimated in the world today.

Asian “new age” aka Buddhist religions (over 535 million people): You are God: the “eternal self” as they put it to make it sound sooooo amazing.

Hindu (about 1.12 billion people) : 33 Gods some say many more, in female and male forms and (naturally) interchangeable. In addition to multiple Gods there is the eternal Self (You).

Islam (about 1.9 billion people): Allah is God.

Judaism (over 15 million people): Creator is God. (This does not include the Zionist or Kabbalist Jews)

General Christianity (around 1.08 billion people): Creator is God, as is His Son, as is the Spirit of God, which is given to you.

Roman Catholic (about 1.2 billion people): Multiple gods, always has been: Mary (Diana, Isis) God (Zeus, Osiris) Pope, aka Vicar-of-Christ (antichrist) (Jupiter, Horus)(Roman, Egyptian, Babylonian and many other “ancient” religions were based around multiple gods-female and male and interchangeable. Obviously, the Roman gods line up with Egyptian gods, as expected, since they both sprouted from the same “religion”, before they were the same empire. We discussed this in our document. Another one of the Roman trinities was Jupiter, Juno, and Minerva; or Jupiter, Mars, Quirinus and the list goes on depending on what region and time in history you are in. Catholicism has **nothing** to do with Christianity. They are totally **incompatible**, though the Vatican was very quick to redefine themselves as Christian to confuse the blind. According to textual Christianity, Catholicism is paganism as all the rituals, idols, customs and beliefs are the same occult practiced by the Romans and before that by the Babylonians and Sumerians. Islam is totally **incompatible** with every religion as no other religion believes in Allah or Mohammad and by their textual belief they are commanded to slaughter all who do not believe exactly as they do and worship exactly as they do. **Incompatible**. Just as Judaism is **incompatible** with Christianity, or Buddhism vs Islam, Islam vs Zionism, and the list goes on and on.

Hidden beneath it all, has always been the agenda of making everyone in a religion worship Lucifer, the god of the elites. They believe they will be as gods, which is why those who don't fit under an “Abrahamic” religions always fit under the worship of Self: the belief that **you** are god or the belief that god is dead (boils down to the exact same thing). That's what occult means: hidden, in secret, deceptively manipulated, subliminal. So in our world of today, even though **fundamentally opposing** religions and belief systems exist and always have, **unity** must prevail.

As we have discussed before, this New World Order Agenda on the Religion side of things, includes the “alien” deception and have also exposed in detail exactly who these “Extraterrestrials” are. As usual, all you need to do to find the truth about the whole thing is look in the right (unaltered) documents. We are already well aware of

the various “aliens” living underground and on what the elite call planets. We also know it is only a matter of time before they come back onto our plane in physical form to rule directly, *again*. We also know these “aliens” are not going to be fun but will be the end of everything. Their time is almost up, which is why the big push to get the NWO up and running officially. They are bound by time, but unlike us, when their time is done that will be the end of them forever. They come to destroy this world. They will succeed because of the laziness and weakness of the human race today, but those of us who remain **uncontrolled** by them, will live forever, as we are made to. For we are just travelers passing through. We are not of this world.

[Secret space program whistleblower, Corey Goode also says](#), ‘*the call to world **unity** is a prelude to disclosure of extraterrestrial life.*’ The masters will be brought forth, once the world is ready to worship them. This can only happen once all religions worship the same god: The elite’s god: Lucifer and his friends. There has naturally been significant increases in the alien agenda as it has flooded mainstream music, movies, TV shows, controlled leaks and more. **None of this is new.** It has been here before and never went away. It has simply been kept from you, until such a time as they can finally regain their place. We have previously discussed how AI enforces this reality. Since the time of the flood they have been forced to work through their puppets in the Vatican to your countries political, military, religious and educational leaders. They are coming...do not be deceived.

But I digress, [the document further states](#): “*The fact that people are forced to adhere to a certain religion or culture must be rejected, as too the imposition of a cultural way of life that others do not accept.*” This is outrageous as **every** person has a different cultural background, which is **part** of that person. Furthermore, and even more obviously, all of humanity can not agree on a great many things. **This is as it should be.** But now, you **MUST** accept, tolerate someone else’s way of life (which we all know by now means to put on a pedestal of privilege above the rest). [Just as the Jews, Gypsies and others were supposed](#) to tolerate and accept the Nazis slaughter of them, so this next elite sponsored wave of slaughter “must be tolerated.” In other, clearer, nor accurate words:

The pedophile, child raping and human sacrificing elite’s way of life, which has been made increasingly more mainstream thanks to their Child-Trafficking/Cannibal/Occult advertising in tandem with their “transgender” agender, which have led us seamlessly into the pedo-friendly agenda, **is to be tolerated.**

You are expected to **tolerate** and **accept** the pedophile wherever he lies. **You** are to enjoy the fact that your children are already in a world so perverted and corrupted that little boys walk around in dresses

and think its okay!

You are to applaud the “**bravery**” which used to be called (and still is medically and legally called) CURE-ABLE **Mental Insanity**, and **tolerate** the chaos that is already here thanks to two generations of **horribly pathetic, absent-minded, moral-less, spineless, abusively neglectful parenting!!!**

Since this is what your actions have accomplished, are you happy now?

[Transgenders are Pedophile supporters because they are perverted to their core.](#) They go hand in hand. This is no secret. Should be well known to everyone.

You allow one, the other will come, and **you have all allowed this insanity to destroy humanity.**

Amazing.

Read between the lies and wake from your stupor.
